

**Oklahoma Library Association  
CITIZEN'S RECOGNITION AWARD**

Name of nominee(s) \_\_\_\_\_

**Criteria:**

This award may be granted to individuals, groups or other non-library related organizations which have demonstrated a sound and special interest in libraries and library services on a state-wide level. They have given effective and important service to the advancement of libraries over a period of time.

The Awards Committee will consider length and breadth of commitment/service to the library/board/committee; impact on the community or organization; promotion of library services or projects; and any other information that demonstrates service "above and beyond" what is commonly experienced or demonstrated.

**Library Service:** Briefly give a history of the service, listing dates and service given. Examples: committees, chairs, boards, projects, etc.

**Honors/Awards (if applicable):**

**Outstanding Service:** Choose one aspect (a project, goal or position) and give details about this accomplishment as it demonstrates the use of talent, time and service given.

**Impact:** List ways in which the service had an impact on community or state library goals and needs. Why should OLA express its appreciation in this way? Use back of this form.
